

To ensure future generations can continue to worship, pray, and grow spiritually at St. Margaret's, please consider becoming a "St. Margaret's Legacy Member" by including your spiritual home in your will or estate planning.

"We are caretakers and stewards of gifts from God. What we do with these gifts ultimately defines the character of our lives and the depths of our spiritual relationship."

The endowment fund provides sustainable resources to ensure the future vitality, care, and sustainability of our community, buildings, and campus. The easiest way to make a lasting difference is to remember St. Margaret's in your will with an unrestricted gift. You can also include St. Margaret's in your retirement plan assets or in your life insurance policies. For more information visit <https://www.saintmargarets.com/endowment-fund-and-legacy-society/>

"A gift opens doors; it gives access to the great." Proverbs 18:16
